

Card Printers

The Edikio FLEX

By Evolis

Exciting price labels just for you!

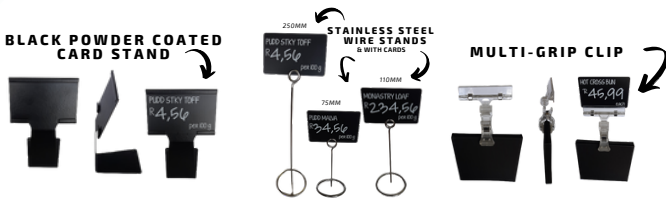

Features:

- Save time like a pro.
- Amp up that brand image.
- Stay in the good books of regulations.
- Sparkling clean and in the spotlight.

Edikio solutions by Evolis offer you everything you need to create attractive price tags quickly, efficiently, and economically in the comfort of your business. Increase the profitability of your investment by printing all your badges and cards linked to your profession. Create your card designs with office software, replace Flex and Duplex consumables, and print your various badges in colour on white cards. With Edikio solutions by Evolis, the possibilities are endless when it comes to enhancing your business's visual identity. Whether you are a small boutique looking to add a touch of elegance to your price tags or a large retail chain needing a comprehensive badge printing solution, Edikio has got you covered.

Investing in Edikio solutions not only streamlines your printing tasks but also boosts the overall appeal of your business materials. Say goodbye to bland, generic tags and hello to a world of endless creative possibilities with Edikio by your side. Elevate your branding efforts and make a lasting impression on your customers with every badge and card you produce.

Evolis by Edikio solutions are the secret to crafting eye-catching price tags in a jiffy. Create your custom tags fast, easy, and wallet-friendly without leaving your store!

EDIKIO PRICE TAG FLEX

THE FLEXIBLE SOLUTION TO PRINT PRICE TAGS ON STANDARD AND LONG CARDS

Edikio Price Tag Flex is an all-in-one solution for single-sided printing on standard and long price tags.

Made for retailers who need to print on several tag formats, Edikio Price Tag Flex includes everything needed to update and print price tags in a few minutes:

EASY-TO-USE SOFTWARE

Thanks to the Edikio Price Tag Flex solution, you benefit from the customized functionality of the Edikio Price Tag "Standard edition" compatible with Windows® and macOS.

Create price tags in a **user friendly interface** with:

- An All-in-one view to have access your card design and your list of items
- A wide range of images, pre-designed templates and sample database lists dedicated to your needs
- The exclusive Edikio Chalk font
- Graphical footprint to visualize the position of your tag holder
- A graphical wizard to import data from Excel files and for dual sided printing

It also contains **simple and useful features** like:

- Automatic detection of the updated prices since the last print
- Automatic refresh from an external database
- An easy tool to select price formats and currencies
- Backup & Restore function to save easily all your data
- Search toolbar with highlighted results
- Long card management (120 and 150 mm)
- An allergen tool to automate their display directly on your tags.
- Scoring tool to add, on your tag, a notation in the form of stars or circles

Ideal for medium or larger retailers, such as:

- Supermarkets, Bakers, Butchers, Pastry chefs, Chocolate sellers, Cheesemongers, Fishmongers, Caterers, Wine merchants...
