

Card Printers

The Edikio Access & Flex

By Evolis

Get those credit card format tags printed without breaking the bank, thanks to Edikio's budget-friendly solution!

The Edikio Access

Features:

- Tag-tastic printing formats to pick from
- Personalised customer content that packs a punch
- Quick and easy printing of individual or batch tags
- Consistent info across your entire workspace
- Multiple attachment options that are a breeze to set up

Say goodbye to boring and hello to personalized product tags that make your competitors jealous!

With Edikio solutions from Evolis, you can easily create eye-catching and informative tags to display your products. Whether you choose Edikio Access or Flex, printing is a breeze using the user-friendly software, directly from your POS or office PC. And don't worry about durability – these tags are not only waterproof but also heat and scratch-resistant, meeting the highest manufacturer's standards.

The Edikio Flex

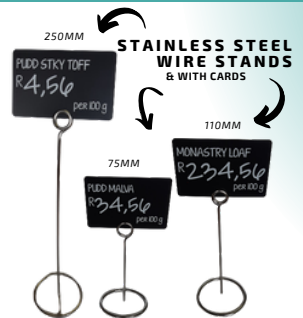

Get ready to revolutionize your retail game with Edikio, the one and only price tag management software exclusively tailored for retailers. Say goodbye to boring tags and hello to custom lists of products that fit right into Microsoft Excel™ categories with 350 product images created just for you. Whether it's your own logo or department-specific images, these display tags will elevate your brand and give your store a sleek, unified look. But that's not all - Edikio's card printers will take your product awareness up a notch and even allow for personalized card badges tailored to your profession or store needs. With speedy in-store printing, you can create a variety of black on white, white on black, or color printing cards in no time at all. The power is in your hands!

BLACK POWDER COATED CARD STAND

MULTI-GRIP CLIP

Evolis by Edikio solutions are the secret to crafting eye-catching price tags in a jiffy. Create your custom tags fast, easy, and wallet-friendly without leaving your store!
