Point-Of-Sale Scale

The PDN Series

With its low profile and space-saving design, the PDN is a real master of efficiency.

The PDN Series is a tech wizard with a dazzling interface and an unbeatable power source. It's got all the bells and whistles, starting with a USB port that doubles as a communication hub, with Bluetooth connectivity as an option. For those who love to multitask, PDN comes with a remote display and an optional dual display. Plus, there's a side/rear display that lets you keep an eye on things with ease. And let's not forget about the tilt display, complete with a bright LED that makes reading weight and other info a breeze.

Features:

- It has a cutting-edge interface and power source
- Can be charge and connect via USB
- Available in the NEW sleek black or elegant ivory
- Double the display, double the fun (optional)
- It has a side or rear display (optional)
- Tilt the display and let the dazzling LED light up your world!
